

GLORIA CAMPOS TO SERVE AS KEYNOTE SPEAKER AT FIRST ANNUAL CEDAR VALLEY COLLEGE CHILD CARE CONFERENCE

What:

Gloria Campos, WFAA-TV anchor and host of “Wednesday’s Child,” is the keynote speaker for the first annual South Dallas County Child Care Professionals Conference & Luncheon presented by the Cedar Valley College (CVC) Continuing Education and Workforce Division.

Child care professionals working in the Southern sector can register for workshops covering an array of topics, including compliance issues, bookkeeping, communicating with parents, and tips for teaching toddlers. At the conclusion of the conference, child care providers will receive continuing education units (CEUs) to present to their employer.

Why:

CVC clearly recognizes the need for child care advocacy as it pertains to the critical role early child care providers play in the lives of children and families. As family dynamics continue to change, the roles and responsibilities of child care providers also evolve.

Through this event, the Continuing Education and Workforce Development Division aims to equip child care professionals with the skills needed to provide high-quality care to all young children. The program will help the attendees grow personally and professionally.
