

## Cedar Valley College Breaks Ground

LANCASTER, Texas — Cedar Valley College (CVC) will host a groundbreaking ceremony for its industrial technology building on September 20. This is the first building to break ground on the CVC campus as part of the 2004 Dallas County Community College District's bond election with an estimated value of \$10 million.

**What:** Groundbreaking ceremony and community meeting for Cedar Valley College's industrial technology building.

**When:** Thursday, September 20  
10 a.m. (reception and community meeting)  
11 a.m. (groundbreaking)

**Where:** **Reception and community meeting:**  
Cedar Valley College Performance Hall (Building E)  
3030 N. Dallas Ave.  
Lancaster, TX 75134

**Groundbreaking:**  
Location is immediately adjacent to the gymnasium (Building G).

CVC is located two miles south of Interstate 20, off exit 470 (Lancaster Road).

**Parking:** Free parking is available on the north side of campus.

**Who:** The list of invitees to the event include State Senator Royce West, State Representatives Helen Giddings and Yvonne Ewell.
