

All Star Cast Re-Unites for Family Music Theatre Performances

LANCASTER, Texas — Cedar Valley College’s Family Music Theatre will present some of their best numbers from 15 years of performances as they launch their “Family Reunion” show beginning next weekend, October 12. The show features members from the casts of the first shows in the history of the organization as well as performers from more recent shows.

“We have the privilege of including in our current cast representatives who were in our first productions long ago, many who have devoted their efforts and talents to establish FMT throughout the years, many who have been initially introduced to musical theatre here at CVC, many of all ages who have “found their voices” and developed their acting abilities, and many who have gone on to pursue theatrical studies and careers in theatre”, said Sam Germany, director of the theatre.

One such member is actor Corinne Palermo, whose screen credits include performances in “The Tourist”, “Sisterhood of the Traveling Pants”, and television credits “30 Rock”, “Six Degrees”, and “Law and Order: Criminal Intent.” Ms. Palermo will return for a limited engagement performance.
