GUIDED PATHWAY: REAL ESTATE

For more information, visit www.dcccd.edu/realestate and your academic advisor at your college.

This is an example course sequence for students interested in pursuing the Real Estate associate degree. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (AAS) degree in Real Estate ⁱⁱ. For official degree requirements, [click here](#).

The AAS degree program in Real Estate is designed to develop the fundamental skills, attitudes and experiences which enable the student to function in decision-making positions in the real estate profession. Successful completion of the program leads to the Associate of Applied Science degree and may be applied toward licensing requirements as determined by the Texas Real Estate Commission. Gainful employment information for this degree can be found at www.dcccd.edu/gainfulemp. Courses that complete the Degree (D) and Real Estate Certificate (RE) are noted below.

Visit www.ntxccc.org/pathways to view guided pathways created for students who complete an AAS degree and the options for transfer to complete a Bachelor of Applied Arts and Science. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university.

ONLY Offered at
